Yoksis Researcher ID: 140188

Biography

She completed his undergraduate and graduate degrees in the Department of Interior Architecture and Environmental Design at Bilkent University. She started her academic life as a research assistant at Bilkent University Interior Architecture Department during her graduate education and received her qualification in art at Hacettepe University, Department of Interior Architecture and Environmental Design. During this period, she worked as a lecturer at Çankaya University. In 2010, she started to work in the Department of Interior Architecture and Environmental Design at TOBB University of Economics and Technology. She received the title of Associate Professor in 2014 and was appointed as department chair in the same year. Since September 2018, she has been working as an Associate Professor in the Department of Interior Architecture and Environmental Design at TED University.

During her Master's and Art Proficiency periods, her fields of study focused on the relationship between space and culture. She also has publications in the context of psychological dimensions of user and space relations. Her studies in the new period focused on the use of modern technologies in design education.
